

REMARKS

In response to the Notice of Drawing Inconsistency with Specification dated September 12, 2005, Applicants have amended the specification to correctly contain reference to Figure 10D and to clarify reference to the associate figures. The informalities arose due to clerical errors which were identified upon receiving the Notice of Drawing Inconsistency with Specification dated September 12, 2005. No claims have been amended, and therefore, the amendment does not affect the patentability of the claims and no additional search/examination is necessary. Entry of the amendments is respectfully requested.

If there are any other fees due in connection with the filing of this response, please charge the fees to our Deposit Account No. 50-0310. If a fee is required for an extension of time under 37 C.F.R. § 1.136 not accounted for above, such an extension is requested and the fee should also be charged to our Deposit Account.

Respectfully submitted,
